Dear Prospective Recipient:

NOTE: If you were a recipient of this scholarship last year, you may not apply this year. We welcome your application next year.

We are very excited to have you as a possible scholarship recipient for the year 2012. We ask that you fill out the application in its entirety. The application and all required information is due in the church office by **3PM on Friday, February 17, 2012**. When the panel judges applications, a weight will be put on the most important factors: involvement in First Baptist Church activities and financial need. Please include all information requested. If additional paper is needed, you may add what is necessary. Please note that two reference letters must be mailed separately to the church by the individual writing the letter. Relatives may not be used as a reference. The letters are due into the church office the same time the application is due. Your application will not be considered unless all materials are enclosed. We are excited about your application and hope you will be in prayer for us as we seek God's will.

In Christ,

The Scholarship Committee
